**Subject:** Lab Numbers [REDACTED]

Hello,

I am prosecuting the two defendants associated with these two lab numbers. I have attached summons for the trial on this matter for both of you. I know that the lab is inundated with summons. As a result, I more than willing to work with both of you to make your schedules easier as far as testifying. I am also happy to come to the lab and to prepare your testimony in advance of trial.

**Due to a recent discovery order, I need to obtain copies of all records, tests, documents and notes for these items.** Is it possible for one of you to make a copy for me, and I would drive by the lab to pick it up? Please do not hesitate to call me. My cell is [REDACTED]

Thank you
